2B Fees for post-2015 and post-2017 overseas students

(1) For post-2015 and post-2017 students, the overseas tuition fee for each program is to be set by the Fees Reviewing Committee on the basis of the fee for one EFTSL for that program recommended by the executive dean and the charging rate per unit (or ***rate***) for each program is to be set by dividing the fee for one EFTSL, for that program, by 16.

(2) The Fees Reviewing Committee must refer matters of academic significance to the provost prior to setting a program fee.

(3) The amount for each program in Tables 2 and 3 for 2016 and later years will be subject to cost indexation on a basis to be determined by the Fees Reviewing Committee.

(4) A post-2015 or post-2017 overseas student who enrols in an undergraduate coursework degree must pay fees for courses at the rate per unit for their program of enrolment as set out in Table 2.

(5) A post-2015 or post-2017 overseas student who enrols in a postgraduate coursework degree must pay fees for courses at the rate per unit for their program of enrolment as set out in Table 3.
