The Elizabeth Nosworthy Power Industry Bursary

Rules

Established: To take effect from 2007

Purpose: Two bursaries will be awarded each year to encourage students to pursue careers in the power industry.

Eligibility: Australian students finishing their second year of the Bachelor of Economics (single or dual program)

Criteria for award: Grade Point Average of 6 or above in all economics courses undertaken

Awarded by: General Manager, Trading, Stanwell Corporation

Value of the awards: $7,500 for each bursary over one year

Conditions of the award:

- Recipients must maintain full time enrolment in the Bachelor of Economics (single or dual program)
- The scholarship recipients must be prepared to attend a presentation of the award and to appear in promotional material for the power industry.

Applications:

- Applications for the scholarship must be submitted to the Head of School of Economics by the end of November of the second year of their degree program.
- Applicants will be required to write a short statement on why they are interested in a career in the power industry.
