This plan has been devised for those students who were made an offer for the Graduate Diploma in Economics with a view to articulating into the Master of Business Economics on the condition that their cumulative GPA is 4.5 or higher at the completion of #16 of the Diploma studies.

Students should consult the Administrative Officer responsible for the intended Masters program to plan an appropriate progression to ensure that maximum credit can be awarded at the time of commencing the Master of Business Economics.

At the conclusion of your studies in the Graduate Diploma in Economics, the Administrative Officer will contact you in relation to your anticipated program change.
