If you are planning to study on a part-time basis, please contact the Administrative Officer responsible for your program of study regarding study plan options.

This is an example of one plan for completing the Master of Health Economics via a Diploma articulation; you may choose to vary the plan from that shown above. If you do vary the plan, please ensure that your plan of study meets the program requirements for completion.

This plan has been devised for those students who were made an offer for the Graduate Diploma in Health Economics with a view to articulating into the Master of Health Economics on the condition that their cumulative GPA is 4.5 or higher at the completion of #16 of the Diploma studies.

Students should consult the administrative officer responsible for the intended Masters program to plan an appropriate progression to ensure that maximum credit can be awarded at the time of commencing the Master of Health Economics.

At the conclusion of your studies in the Graduate Diploma in Health Economics, the Administrative Officer will contact you in relation to your anticipated program change.
