	1 x #2 Elective Choice from Part B

*Please note that ECON7010 is a pre-requisite for a large number of Economics courses.

In 2014 ECON7430 will be offered in Semester 1 & POLS7406 will be offered in Semester 2. The above plan reflects these changes. Further amendment may be required if either course or another other compulsory course were to subsequently be offered in an alternate semester in 2015.

***The completion of ECON7920 Research Methods in Economics in Summer Semester would allow a student to complete more coursework prior to undertaking this course. Alternatively, the Thesis course could be completed in Summer Semester. Summer Semester enrolment in the Thesis course is only approved if an Academic Advisor has agreed.

Please note: There are other ways to plan your progression through this program. This is one suggestion for students who wish to include the Thesis in their program of study.

When planning your program of study, please ensure that you meet program requirements. Please consult with the Administrative Officer responsible for your program of study.

If you are planning to study Part-time, please consult with the Administrative Officer responsible for your program.
