This plan includes both [ECON7920](#) – Research Methods in Economics and [ECON7930](#) – Thesis. Please note that it is not compulsory in this program of study to complete either the Research Methods or the Thesis courses.

\*Please note that ECON7010 is a pre-requisite for a large number of Economics courses.

\*\*\*The completion of **ECON7920 Research Methods in Economics in Summer Semester** would allow a student to complete more coursework prior to undertaking this course. Alternatively, the Thesis course could be completed in Summer Semester. Summer Semester enrolment in the Thesis course is only approved if an Academic Advisor has agreed.

**Please note:** There are other ways to plan your progression through this program. This is one suggestion for students who wish to include the Research Methods & Thesis courses in their program of study.

**When planning your program of study, please ensure that you meet program requirements. Please consult with the Administrative Officer responsible for your program of study.**

If you are planning to study Part-time, please consult with the Administrative Officer responsible for your program.
