

Important information about attendance at examinations:

Please see information available on myAdvisor regarding attendance and conduct at examinations, including information on Student ID cards, permitted materials, use of calculators, and late arrival -

<http://www.uq.edu.au/myadvisor/index.html?page=108936>

Information about the examination timetable:

Exam start times:

Students should arrive at the examination venue at least 15 minutes prior to the commencement time of the examination and 30 minutes if the examination is held at the UQ Centre. Please note that start times for examinations held on Saturdays differ to those held Monday to Friday, eg. first exam session at 9:30am on Saturdays, and 8:00am on Mondays.

Venues

Venues are displayed with the Building Name, (Building Number), and Room Number. Where 'Contact School' is shown as the venue, please contact the School for details. Please check your exam venues thoroughly before your exam, and ensure you know where the venue is located. You will not be permitted entry to an exam venue if you arrive 30 minutes after commencement of working time, and no additional time will be granted.

Student Split

Where an examination is held across multiple venues, students are allocated to a venue based on Family Name. The surname split is displayed in a range and is shown as **FAMILY NAME, First Name (first 3 letters)**. Students should ensure they attend at the allocated venue as there is limited seating capacity in each venue.

Changes to the final timetable

Should there be a need to make a change to the scheduled date, time or venue of any examination after release of the final timetable you will be notified by an email to your student email account.

Examination clashes

Alternative arrangements will be made for students with:

- * a direct clash of examinations within a single session; and/or
- * 3 or more examinations scheduled in a single calendar day;
- * examinations scheduled at multiple campuses in a single calendar day;
- * a religious observance supported by an official letter from a religious authority;
- * examination adjustments approved by a Disability Advisor at Student Services.

Alternative arrangements **will not be made** for students with examinations in consecutive sessions.

If, according to the final examination timetable, you have a **direct examination clash or three examinations scheduled for a single calendar day**, please complete the *Request for Alternative Examination Arrangements* form (available from myAdvisor > forms online) and send by email to Examinations Section examinations@uq.edu.au by **Friday, 30 May 2014**.

Students requesting alternative arrangements on the basis of **religious observance or disability** must complete the *Request for Alternative Examination Arrangements form* (available from myAdvisor > forms online) and send by email to Examinations Section examinations@uq.edu.au by **Friday, 30 May 2014**.
