Register for the UQ Fitness Passport Program by this Friday – 9 September!

Fantastic news! This program is going ahead so don’t miss out on being in the first group to receive a Fitness Passport membership card!

Thank you to the hundreds of staff that have already signed up!!

Fitness Passport will give you access to a huge variety of facilities, including gyms and pools, for a very low price. You (and applicable family members) will each receive a Fitness Passport membership card, which you can use to visit any/all of these facilities on the program, as often as you like.

For more details and to register today CLICK HERE!

IMPORTANT DATES AND INFORMATION:

- This program is going ahead!
- Your first fortnightly payment will be deducted from your nominated account Friday, 16 September 2016.
- To receive your Fitness Passport card by Friday, 30 September 2016, you must upload a passport style photograph when registering for Fitness Passport. If you have already registered but have not uploaded a photo, please log into your account and upload a photograph today. If you have registered without a photo, your card will be delayed.
- The photograph is used for ID purposes and therefore should be front-on, showing your full face and you must be the only person in the photograph. Please ensure you’re not wearing sunglasses, a hat or any other garments covering your face.
- Membership is for a minimum of 12 months and in that time you can increase from single to family but not downgrade from family to single. You are able to cancel at any time after the 12 months.
- If employment ceases, you will no longer be eligible for this program and you will be required to return your card(s) to your facilitator. No cancellation fees will be charged in this instance.
- Payments will be via Direct Debit and will coincide with your salary payments. The first payment is to cover your Fitness Passport ID card [for you and the persons listed on your membership]. The cards will be available from your Fitness Passport facilitator upon commencement of the program.
- Please note – in the case of 24/7 gyms, Fitness Passport members must purchase an electronic out of hours access key for a small fee paid directly to the gym on their first visit. The electronic key permits access during un-staffed hours and is also used to keep a record of visitation and so must be purchased whether you intend to use the gym outside of hours or not. Please contact your gym of choice directly to verify additional cost. To access any gyms on the program located at an RSL, Leagues Club or PCYC you will be required to be a member of their club.
