Dear WHSC network,

This survey is being sent to you on behalf of a 4th year Bachelor of Occupational Health and Safety Science Honours student the OHS Division is hosting for an Industry research placement project. The purpose of this study is to develop a risk register for UQ. This short survey aims to gather UQ staff perceptions on topics surrounding the development of a risk register. This includes topics such as: the importance of a risk register, the preferred layout of a risk register and the most hazardous/high risk areas at UQ. By participating in this survey you are helping to potentially improve the health and safety standards at UQ.

Dates:

Opening - 8/04/2016
Closing - 3/05/2016

Your participation is appreciated. Please direct any questions to Amanda Jones a.jones3@uq.edu.au.

Regards, Jim
