Research funding opportunities in Canada: Information Session presented by The High Commission of Canada

We are pleased to advise that the University of Queensland will be hosting a visit from the High Commission of Canada on Friday 19 May 2017. Academic staff and postgraduate students from all disciplines are invited to attend an information session on research opportunities in Canada as follows:

- Friday 19 May 2017
- 10.00am – 11.00am
- UQ St Lucia Campus, Sir Llew Edwards Building (14), Room 212

The session will focus on funding available from Canada’s three major federal research councils: the Social Sciences and Humanities Research Council (SSHRC), the Natural Sciences and Engineering Research Council (NSERC), and the Canadian Institutes of Health Research (CIHR). Information will also be provided on the Banting Postdoctoral Fellowships Program, Vanier Canada Graduate Scholarships, other grants offered by specific provinces, as well as grants offered by other non-government organisations. The University will be joined by colleagues from other universities across QLD and the NT, with video links to external sites currently being finalised.

If you are interested in attending the information session, please RSVP to: grants-manager@research.uq.edu.au
