Application for Permission to Conduct Private Academic Related Outside Work

This application should be completed in accordance with the provisions of the University’s policy on Outside Work and Business Interests for University Staff. Staff intending to undertake a Private Academic Related Outside Work should consult the policy prior to completion of this application located on the web at http://www.uq.edu.au/hupp/

Private Related Outside Work involves academic staff undertaking paid outside work related to their discipline in their own capacity, independent of the University. The arrangement is between the staff member and the party seeking the service. Such work must not involve the use of the University’s name. The University accepts no liability for any matters arising out of these arrangements. In such cases, staff members are not covered by University insurance policies (e.g. worker’s compensation, public liability, professional liability) and must hold their own current policies.

Certification by Staff Member:

I, (name).................................................................................................hereby certify that:

1. The proposed Private Related Outside Work is not:
   • competing with services otherwise provided by the University, nor within an area that would normally be held to be offered by the University on a commercial basis, or;
   • creating unfair competition with my profession outside the University, or with any external community activity.

2. I have Professional Indemnity Insurance coverage covering all potential damage or loss that may be sustained as a result of negligence carried out in the course of performing this private activity. Note: where the activity may be conducted outside Australia this insurance is valid for the relevant jurisdiction.

3. I undertake to ensure that the Professional Indemnity Insurance coverage is kept current during the period of this Private Related Outside Work.

1 Where Private Academic Related Outside Work is to be conducted by more than one staff member each person must complete an Application for Permission to Conduct Private Academic Related Outside Work Form.
4. No University letterhead, stationery, postal address, phone number, fax number, e-mail address or Web address is to be used, nor any other information which might associate the University with the Private Related Outside Work in any way.

5. In performing this activity I will not exceed the total time available to me to conduct outside earnings (200 hours in a six month period: 1 January to 30 June; 1 July to 31 December) and will record the hours worked in my Academic Portfolio of Achievement.

6. The work shall not interfere with the efficient discharge of my responsibilities in teaching, in supervision of research students and in administration; nor shall it interfere with my personal research to such extent that research productivity is reduced.

7. The work shall be conducted in such a way that my academic responsibilities always remain paramount. I undertake to be readily available to other staff and students, in accordance with the agreed policies of my School.

8. No University resources will be used in the performance of the private activity, other than as approved and paid for in accordance with this application.

9. I have made clear to the person or body for whom the Private Related Outside Work is being performed that the University is not a party and accepts no liability for the work undertaken.
