Brisbane is the lively Queensland capital, a city full of attractions but with a relaxed lifestyle. It is Australia’s New World City. With a population of about 2 million Brisbane is the third largest Australian city.

The city offers a great combination of opportunities and an easy way of life. Exciting career opportunities and world-class universities in Brisbane city make it a great place to study and develop your skills and career. Services range from student counselors who can assist you with study-related issues, to student clubs and societies where you can make friends and connect with like-minded students.

Whether you’re graduating from high school or would like to upgrade your skills with a postgraduate degree, Brisbane’s education institutions offer high-quality learning environments that cater for every student. In Brisbane, UniLodge provides safe, secure and friendly accommodation to over 900 residents, with each apartment designed to your academic needs.

At UniLodge we are more than just a place to live. We aim to improve student’s educational experience through our own Community Spirit Program where residents can enjoy a balanced work / play lifestyle.

Our Community Spirit Program (CSP) is a comprehensive approach in providing a close sense of community with our resident’s well-being in mind. The program is designed so students can have the positive sense of security and belonging while developing social and personal relationships. They can make life-long friends while experiencing exciting adventures and we ensure they gain the most out of their Australian experience.

Some of our most popular events include Australia Zoo, theme parks including Sea World, Movie World and Dreamworld, The Planetarium, Sciencentre, learn to surf lessons, ice skating, Mount Tamborine, Aussie BBQs, events and other tourist attractions.
