3 Non-Award

An overseas student enrolled in a study abroad program, or the study program for international students, must pay \$11,250 per semester.

Part C — Professional Doctorates

1 Definitions

In this Schedule—

professional doctorate means the Doctor of Psychology;

research professional doctorate means the Doctor of Biotechnology.

2 Fees for post 2015 overseas students enrolled in a research professional doctorate

- (1) An overseas student who enrolls in a course in a research professional doctorate must pay the tuition fees determined for that program. The overseas tuition fee charging rate per unit for each program is to be set by the Fees Reviewing Committee on the recommendation of the executive dean, allocating the program to one of the bands referred to in Table 1.
- (2) The amount for each program in Table 1 for 2016 and later years will be subject to cost indexation on a basis to be determined by the Fees Reviewing Committee.
- (3) If a student is enrolled as a remote candidate, the fee set for the program is as follows —

Part-time
Full-time

40% of fee set out in Table 1
60% of fee set out in Table 1

Table 1

<i>Band</i>	<i>2016 Indicative Annual Program Fee</i>	<i>Rate per Unit</i>
A	\$26,680	\$1,667.50
B	\$33,840	\$2,115.00
C	\$43,360	\$2,710.00

- (4) If an overseas student enrolls in a non-award course concurrently with the courses in their research professional doctorate, they will not pay the tuition fee determined for that program for the non-award course; they will pay the course-based fee determined under schedule 4, part B, rule 1B.

3 Fees for post-2015 overseas students enrolled in a professional doctorate

- (1) An overseas student who enrolls in a course in a professional doctorate must pay the tuition fees determined for that program. The annual overseas tuition fee for each program is to be set by the Fees Reviewing Committee on the recommendation of the executive dean and the charging rate per unit (in this schedule *the rate*) for each program is to be set by dividing the annual program fee by the number of standard units per annum for the program.
- (2) The Fees Reviewing Committee must refer matters of academic significance to the provost prior to setting a program fee.
- (3) The amount for each program in Table 2 for 2016 and later years will be subject to cost indexation on a basis to be determined by the Fees Reviewing Committee.
- (4) If an overseas student enrolls in a non-award course concurrently with the courses in their professional doctorate, they will not pay the tuition fee determined for that program for the non-award course; they will pay the course-based fee determined by the subject area of the course, as per schedule 4, Part B, rule 1B.
