Bachelor of Advanced Science (Honours) (BAdvSc(Hons))

1 Definitions
In these rules –

*approved combination* means a combination of courses approved by the executive dean;

*major* means an approved combination of 52 units from part B of the BAdvSc(Hon) course list.

2 Field of study
A student must undertake the program in an approved major.

3 Program requirements
(1) To complete the program, a student must complete 64 units from the BAdvSc(Hon) course list comprising—
   (a) 6 units from part A;
   (b) 52 units from an approved combination in part B; and
   (c) 6 units from part B of the BAdvSc(Hon) course list or the BSc course list or other courses approved by the executive dean.

(2) A student can gain no more than 20 units of level 1 courses in the program.

4 Maximum credit for other study
(1) The maximum credit that the associate dean (academic) may grant to a student for other study is 32 units.

   *Note* see GAR 1.6 of the General Award Rules

(2) Despite rule 4(1), the executive dean may only grant 8 units of credit for late year courses.

5 Honours
(1) The class of honours will be calculated on the average GPA over 24 units of level 3 or 4 courses completed by the student, with the 24 units identified as follows –
   (a) if the student has completed more than 24 units of courses at level 4, the *highest graded* level 4 courses will be counted; or
   (b) if the student has completed 24 units or less of courses at level 4, all level 4 courses will count along with the *highest graded* level 3 courses.

(2) The student’s grade point average must be calculated based on the student’s final result for their first attempt at each course.

(3) For the purposes of determining the class of honours, a level 4 course is a course at level 4 or higher.

6 Progression
(1) A student who achieves below a GPA of 5 in any semester of enrolment (semester 1 or semester 2) must seek permission of the executive dean to remain enrolled in the program.
(2) A student who is denied continued enrolment by the executive dean in rule 6(1) will have their enrolment changed to the Bachelor of Science.

7 Special rule

7.1 Bachelor of Science degree

A student who—

(a) is enrolled in the Bachelor of Advanced Science (Honours) program;

and

(b) withdraws from the program having completed the requirements for the bachelor of science degree,

may be awarded the bachelor of science degree.
