1 Definitions
In these rules –

course level means the first digit in the course code.

pre-2009 student means a student who first enrolled in the program before 1 January 2009.

pre-2012 student means a student who first enrolled in the program after 1 January 2009 but before 1 January 2012.

2 Program requirements
To complete the program, a student must complete 64 units from the BRTP course list, comprising –

(a) 48 units from Part A; and
(b) 16 units from Part B.

3 Fourth year research option
The associate dean (academic) may set the GPA required for entry into the fourth year research option.

4 Honours
(1) Honours may be awarded to a student on the basis of the weighted cumulative grade point average that the student has gained over all courses that contribute to the program with all courses being weighted according to their course level.

(2) The student’s grade point average must be calculated based on the student’s final result for their first attempt at each course.

5 Transitional
(1) If courses required to complete the program requirements are unavailable, a student must undertake courses from the BRTP list which the executive dean decides are comparable.

(2) A pre-2009 student may elect to complete the program under the current rules or the rules in force on 31 December 2008.

(3) A pre-2012 student may complete the program under the rules in force on 31 December 2011.
