Bachelor of Engineering / Bachelor of Business Management

1 Definitions
In these rules –

approved combination means a combination of courses approved by the BEL executive dean;

BBusMan major means an approved combination of 12 units from group 2 of the BBusMan course list of which 6 units must be level 3 courses;

BEL executive dean means the executive dean of the business, economics and law faculty;

BE major, for a student, means 50 units from BE course list for the field chosen by the student;

business electives means the elective courses in group 3 of the BBusMan course list of which—

(a) 6 units must be level 3 courses; and
(b) only 2 units may be level 1 courses;

compulsory courses means all compulsory courses required for the bachelor of business management.

2 Field of Study
A student must undertake the BE part of the dual program in an approved field of study.

3 Program requirements
(1) To complete the program, a student must complete 88 units, comprising —

(a) 36 units from the BBusMan course list comprising —

(i) 24 units for compulsory courses; and
(ii) either —

(A) a BBusMan major; or

(B) 12 units of business electives; and

(b) 52 units from the BE course list comprising —

(i) a major in the chosen field of study; and

(ii) 2 units from Part B electives or other courses approved by the executive dean.

(2) Unless a different intention appears in these rules, a student must comply with the program rules for both degrees.

4 Course pre-enrolment approval
Course pre-enrolment is not required.

Note See GAR 2.4.4 of the General Award Rules.
5. **Concurrent enrolment**
   A student must maintain concurrent enrolment in both degree programs.

6. **Special rules:**

   6.1 **MGTS1201**
   (1) A student required to complete INFS1200 for the engineering major may not enrol in, and must not be granted credit for completing, MGTS1201.
   (2) A student who gains credit for INFS1200 is exempt from the requirement to gain credit for MGTS1201, but must gain credit for 2 units in a business elective course approved by the BEL executive dean (other than a course counted for the purposes of the student satisfying rule 3(1)(a)(ii)).

   6.2 **ECON1310**
   A student required to complete STAT2201, STAT2203, CHEE2010, CHEE3010 or MINE3214 for the engineering major may not enrol in, and must not be granted credit for completing, ECON1310.

6.3 **Field of study**
(1) A student enrolled in the program may not undertake—
   (a) a dual major, or
   (b) an extended major; or
   (c) a combination of a major and a minor.

(2) In subrule (1)—
   - **dual major** has the meaning given by the program rules for the Bachelor of Engineering program (the BE Rules).
   - **extended major** has the meaning given by the BE Rules.
   - **major** has the meaning given by the BE Rules.
   - **minor** has the meaning given by the BE Rules.
