Graduate Certificate in Epidemiology

1 Enrolment requirements
To enrol in the program, a person must —
(a) hold an approved degree; or
(b) have completed post secondary study, or work experience (or both), in a related
discipline that the head of school considers to be satisfactory.

2 Program requirements
To complete the program, a student must complete 8 units from the GCEpi course list.

3 Special rules
3.1 Continuous enrolment
Unless approved by the executive dean, a student must undertake the program without interruption.
