Master of Biotechnology

1 Enrolment requirements
To enrol a student must —
(a) hold —
   (i) for the 16-unit Master of Biotechnology program or the 24-unit Master of Biotechnology (Advanced) program, an approved degree equivalent to a 4-year degree in a relevant field; or
   (ii) for the 24-unit Master of Biotechnology program or the 32-unit Master of Biotechnology (Advanced) program, an approved degree; and
(b) satisfy the executive dean and head of school that, based on the student’s academic record, the student is qualified for admission.

2 Program requirements
(1) To complete the Master of Biotechnology program, a student must complete 16 units or 24 units from the MBiotech course list, including —
   (a) for the 16 unit program, 4 units from Part B; or
   (b) for the 24 unit program, 8 units from Part B.
(2) To complete the Master of Biotechnology (Advanced), a student must complete 24 units or 32 units from the MBiotech course list including 8 units from part C.

3 Maximum credit for other study
The maximum credit that the associate dean (academic) may grant to a student for other study is 8 units.
Note - See GAR 1.6 of the General Award Rules.
