Master of Molecular Biology (Advanced)

1 Enrolment requirements
   (1) To enrol in the 24 unit program, a person must hold an approved degree equivalent to a 4-year degree in a relevant field.
   (2) To enrol in the 32 unit program, a person must hold an approved degree.

2 Program requirements
   (1) To complete the 24 unit program, a student must complete 24 units from the MMolBiol(Adv) course list comprising -
       (a) 4 units from part A; and
       (b) 16 units from part C; and
       (c) 4 units from part B or part C or a combination of these parts.
   (2) To complete the 32 unit program, a student must complete 32 units from the MMolBiol(Adv) course list, comprising –
       (a) 8 units from part A; and
       (b) 16 units from part C; and
       (c) 8 units from part B or part C or a combination of these parts.

3 Maximum credit for other study
   The maximum credit that the associate dean (academic) may grant to a student for other study is 8 units.
