Master of Nurse Practitioner Studies

1 Enrolment requirements
To enrol, a person must –
(a) hold an undergraduate degree in nursing or equivalent, and
(b) be eligible for unrestricted licence to practice as a Registered Nurse in Australia, and
(c) demonstrate at least 5 years recent and relevant nursing practice satisfactory to the head of school.

2 Program requirements
To complete the program, a student must complete 24 units from the MNPractSt course list, comprising –
(a) 10 units from part A; and
(b) 6 units from part B; and
(c) 8 units from part C.

3 Special rules
3.1 Continuous enrolment
Unless approved by the head of school, a student must undertake the program without interruption.

3.2 Minimum enrolment each semester
Students must be enrolled in a minimum of 4 units in each semester 1 and 2, unless otherwise approved by the executive dean or head of school.

3.3 Clinical supervision
(1) Before commencing the program, a student must provide the head of school with written assurance of support from an approved health organisation for:
   (a) provision of a clinical mentor; and
   (b) clinical support team; and
   (c) suitable professional experience to the student for the duration of the program.
(2) Changes to the arrangements approved in subrule (1) must be approved by the head of school.
