Master of Nursing

1 Definitions
In these rules –

*MN list* means the course list for the program.

*program* means the Master of Nursing program.

2 Enrolment requirements
To enrol in the program, a person must –

(a) hold –

(i) an approved degree in nursing; or

(ii) an equivalent qualification approved by the executive dean; and

(b) be eligible for an unrestricted licence to practice as a registered nurse in Queensland; and

(c) satisfy the executive dean and the head of school that the person has gained recent and relevant experience in working as a nurse.

3 Field of study
A student must undertake the program in a field approved by the executive dean.

4 Program requirements
To complete the program, a student must complete 24 units from the MN list in the field chosen by the student, comprising –

(a) 12 units from Part A of the list; and

(b) 8 units from Part B of the list; and

(c) 4 units from Part C of the list.

5 Continuous enrolment
A student must undertake the program without interruption, unless the head of school gives the student approval to do otherwise.
