

Bachelor of Agricultural Science

1 Program rules dictionary:

- 1.1 *residential school* means a period of personal attendance by students on campus where formal instruction is provided and practical work undertaken.

2 Program requirements:

To complete the program, a student must complete 64 units from the BAgrSc course list, comprising—

- (a) 48 units from part A; and
- (b) either—
 - (i) for students enrolled in the pass degree program—8 units from part B and 8 units for part D (of which a minimum of 2 units must be late year); or
 - (ii) for students enrolled in the honours program— 2 units from part C and 14 units from part D (of which a minimum of 8 units must be late year).

3 Special rules:

3.1 Residential schools:

A student may be required to undertake a residential school if enrolled in courses in external mode.

3.2 Supplementary assessment

In addition to GAR 1A.17, the associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

- (a) gains that grade in any semester of study; and
- (b) has not been granted supplementary assessment in any other course in that semester; and
- (c) has not previously been granted supplementary assessment under this rule; and
- (d) makes an application for supplementary assessment within 5 days of the release of results.

4 Honours:

4.1 Entry:

To enrol for honours a student must —

- (a) have completed 32 units from the BAgrSc course list with a GPA of 5; and
- (b) satisfy the executive dean that the student is qualified to undertake honours.

4.2 Class of honours

The class of honours is calculated on the basis of the weighted percentage of the initial results obtained by a student in the first attempt at 8 units for part B and 8 units of level 3 courses identified in the BAgrSc course list.

4.3 Award of pass degree:

An honours student who completes the pass degree program requirements and does not complete honours may be awarded the pass degree.
