

## Bachelor of Biotechnology (Honours)

### 1 Definitions

In these rules—

*dual major* means an approved combination of 44 units from Part A of the BBiotech(Hons) list;

*major* means an approved combination of 32 units from Part A of the BBiotech(Hons) list.

### 2 Field of study

A student must undertake the program in a major or a dual major.

### 3 Program requirements

- (1) To complete the program, a student must complete 64 units from the BBiotech(Hons) course list, comprising—
  - (a) 44 units from part A; and
  - (b) 4 units from part A of the list or from the course list for another program offered by the university; and
  - (c) either—
    - (i) 16 units from part B; or
    - (ii) 16 units from part C.
- (2) A student must gain 12 units for late year courses from part A.

### 4 Maximum credit for other study

*Note see GAR 1.6 of the General Award Rules.*

- (1) The maximum credit that the associate dean (academic) may grant to a student for other study towards the 12 units required for rule 3(2) is 8 units.
- (2) The maximum credit that the associate dean (academic) may grant to a student for other study is 32 units.

### 5 Class of honours

The class of honours is calculated on the basis of the GPA of the results obtained by a student in the first attempt at courses in part B or part C of the program.

*Note see GAR 2.4 of the General Award Rules.*

### 6 Special rules

#### 6.1 Progression through program

- (1) A student must complete part A before enrolling in part B or part C.
- (2) To enrol in part C, a student must—
  - (a) have completed the requirements of rules 3(1)(a) and 3(1)(b) with a GPA of 4.0; and
  - (b) gained a GPA of 4.5 for 8 units of late year courses, approved by the executive dean.

## **6.2 Award of the bachelor of science**

A student who withdraws from the program having completed the requirements for the bachelor of science degree, may be awarded that degree.

## **6.3 Supplementary assessment**

In addition to GAR 1A.17, the associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

- (a) gains that grade in any semester of study; and
- (b) has not been granted supplementary assessment in any course in that semester; and
- (c) has not previously been granted supplementary assessment under this rule; and
- (d) makes an application for supplementary assessment within 5 days of the release of results.

## **7 Transitional**

A student enrolled in the bachelor of biotechnology as at 31 December 2014 may be permitted to enrol in this program.
