

Bachelor of Pharmacy

1. Dictionary

In these rules –

project means a honours project approved by the executive dean.

2 Program requirements

To complete the program, a student must complete 64 units from the BPharm course list.

3 Special rules

3.1 Continuous enrolment

Unless approved by the executive dean, a student must undertake the program without interruption.

3.2 Clinical Placements

Before commencing clinical placements students must, if requested, provide proof of immunisation and evidence of their status with respect to blood-borne viruses.

3.3 Progression through program

- (1) A student who fails a course in the first 3 years of the program and is eligible under GAR 1.11 may apply to the executive dean to enrol in that course in addition to the courses listed for the next year of the program.
- (2) Despite subrule (1), a student must not enrol in year 4 of the program without gaining credit for all courses in years 1, 2 and 3 of the BPharm course list.

3.4 Exclusion

If during the last 3 years of enrolment a student has twice failed to pass any course set in a year of the program, the student will be excluded.

3.5 Supplementary examinations

- (1) The executive dean, after considering advice from the school board of examiners, may award a supplementary examination only to a student who gains a grade of 2 or 3.
- (2) The executive dean may award supplementary examinations to a student for up to 8 units in an academic year.
- (3) Despite subrule (2), the maximum number of units in each semester is 4.

3.6 Blue Card

At the start of the program, a student must obtain a blue card and thereafter hold a current blue card for the duration of the program.

4 Honours

4.1 On-course honours

- (1) **Entry:** To enrol for on-course honours, a student must –
 - (a) gain a GPA of at least 5 in year 2 and semester 1 of year 3 of the program; and
 - (b) be currently enrolled in the pass degree program; and
 - (c) satisfy the executive dean and head of school that the student is qualified to undertake honours.
- (2) A quota will apply which is dependent on the number of projects available.
- (3) **Program requirements:** An honours student must complete the work set by the executive dean.
