

## Bachelor of Engineering / Bachelor of Arts

### 1 Definitions

In these rules—

**BA extended major** means extended major as defined in the BA rules;

**BA major** means major as defined in the BA rules;

**BA minor** means minor as defined in the BA rules;

**BE electives** means courses on the BE course list;

**BE major** means major as defined in the BE rules;

**pre-2014 student** means a student who first enrolled in the program before 1 January 2014.

### 2 Field of study

- (1) A student must undertake the BE component of the dual program in an approved field.
- (2) A student must undertake the BA component of the dual program in an approved field.
- (3) A student may not undertake a BA with a minor in mathematics.

### 3 Program requirements

- (1) To complete the program, a student must complete 88 units comprising—
  - (a) 32 units from the BA course list including—
    - (i) 2 BA majors; or
    - (ii) both—
      - (A) a BA extended major; and
      - (B) the balance from courses in part A or part B or both; or
    - (iii) both—
      - (A) a BA major; and
      - (B) 2 BA minors; and
  - (b) 56 units from the BE course list comprising—
    - (i) a BE major; and
    - (ii) the balance from BE electives or other courses approved by the executive dean.
- (2) In meeting rule 3(1)(a), the student must complete at least 18 units in courses from the BA course list at level 2 or higher, including at least 6 units in courses at level 3 or higher.
- (3) Unless a different intention appears in these rules, a student must comply with the program rules for both degrees.

### 4 Concurrent enrolment

A student must maintain concurrent enrolment in both constituent degree programs.

*Note* The dual degree is a single program of study leading to the simultaneous award of two degrees. A student is not permitted to graduate with one degree and continue enrolment in the program.

### 5 Special rules

#### 5.1 Courses in both course lists

- (1) Where a course is compulsory in both the BE and BA components of the dual program then it must be counted towards the BE component and replaced in the BA component by a course from the same BA major or BA extended major course list.

- (2) Where a course is compulsory in one component of the dual program but not the other, then it must be counted towards the component in which it is compulsory.

## **6 Transitional**

A pre-2014 student may complete the program under the rules in force at the time of enrolment.
