

Master of Clinical Psychology

1 Definitions

In these rules—

practicum course means a course containing a practical component where students gain supervised experience in a workplace setting.

2 Enrolment requirements

To enrol in the program, a person must—

- (a) hold an approved four year bachelor honours degree in psychology with IIA honours or equivalent; and
- (b) be eligible for registration as a provisional psychologist in Australia; and
- (c) satisfy the executive dean and head of school that the student has sufficient training and experience in the clinical psychology field and is suitably qualified for admission.

3 Program requirements

To complete the program, a student must complete 32 units in accordance with the MPsychClin course list.

4 Special rules

4.1 PSYC7011

A student must enrol for PSYC7011 at the beginning of—

- (a) second year, if full-time; or
- (b) third year, if part-time.

4.2 Duration

A student must get the approval of the head of school of psychology to change enrolment status.

4.3 Practicum

A student who commences, but does not successfully complete, a practicum course may re-enrol in that course in the following semester only if approved by the executive dean.

4.4 Psychologist registration

A student must have provisional or general registration with the Psychology Board of Australia for the duration of enrolment in the program.
