

Bachelor of Occupational Health and Safety Science (Honours)

1 Definitions

In these rules—

weighted GPA means the average grade over all the relevant courses where each grade is weighted by the unit value of the courses and the course level.

2 Program requirements

To complete the program, a student must complete 64 units in accordance with the BOHSSc(Hons) course list.

3 Class of honours

The class of honours is calculated on the basis of the weighted GPA of the results obtained by a student for courses with an OHSS discipline descriptor.

Note see General Award Rule 2.4 Honours degrees

4 Special rules

4.1 Supplementary assessment

In addition to GAR 1A.17, the associate dean (academic), may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

- (a) gains that grade in any semester of study; and
- (b) has not been granted supplementary assessment in any other course in that semester; and
- (c) has not previously been granted supplementary assessment under this rule; and
- (d) makes an application for supplementary assessment within 5 days of the release of results.
