

Bachelor of Biomedical Science

1 Program requirements

- (1) To complete the program, a student must complete 48 units from the BBiomedSc Course List comprising—
 - (a) 32 units from part A; and
 - (b) 16 units from part B, or courses approved by the associate dean (academic)
- (2) A student can gain no more than 24 units of level 1 courses in the program.

2 Maximum credit for other study

- (1) The maximum credit that the associate dean (academic) may grant to a student for other study is 32 units.

Note See [PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning](#).

- (2) Despite rule 2(1), the associate dean (academic) may only grant 8 units of credit for late year courses.

3 Supplementary assessment

In addition to [PPL 3.10.09 Supplementary Assessment](#), the associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

- (a) gains that grade in any semester of study; and
- (b) has not been granted supplementary assessment in any other course in that semester; and
- (c) has not previously been granted supplementary assessment under this rule; and
- (d) makes an application for a supplementary assessments within 5 days of the release of results.
