

## Bachelor of Environmental Science (Honours)

### 1 Definitions

In these rules—

*major* means an approved combination of 16 units from Part B of the BEnvSc(Hons) course list.

### 2 Field of study

A student must undertake the program in a major.

### 3 Program requirements

- (1) To complete the program, a student must complete 64 units from the BEnvSc(Hons) course list comprising—
  - (a) 18 units from part A; and
  - (b) 16 units for a major from part B; and
  - (c) 16 units from part H; and
  - (d) the remaining units from part B.
- (2) A student must gain 12 units for late year courses from part A and part B.
- (3) A student must gain no more than 24 units of level 1 courses in the program.

### 4 Maximum credit for other study

The maximum credit that the associate dean (academic) may grant to a student for other study is 32 units.

*Note* see [PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning](#).

### 5 Class of honours

The class of honours is calculated on the basis of the GPA of results obtained by a student in their first attempt for courses in part H of the BEnvSc(Hons) course list.

*Note* see [PPL 3.50.12 Bachelor Honours Degrees](#)

### 6 Special rules

#### 6.1 Progression through program

A student must complete courses in part A and part B before enrolling in courses in part H.

#### 6.2 Award of the bachelor of science

A student who withdraws from the program having completed the requirements of the bachelor of science degree may be awarded that degree.

#### 6.3 Supplementary assessment

In addition to [PPL 3.10.09 Supplementary Assessment](#), the associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

- (a) gains that grade in any semester of study; and
- (b) has not been granted supplementary assessment in any other course in that semester; and
- (c) has not previously been granted supplementary assessment under this rule; and makes an application for supplementary assessment within 5 days of the release of results.
