Bachelor of Information Technology

1 Definitions
In these rules—

approved combination means a combination of courses approved by the executive dean;
electives means courses from parts B, C or D or other courses approved by the executive dean;
extended major means an approved combination of 24 units from part F of the BInfTech course list;
major means an approved combination of 14 units from part E of the BInfTech course list.

2 Field of study
A student may undertake the program in an approved field.

3 Program requirements
(1) To complete the program, a student must complete 48 units from the BInfTech course list, comprising—
(a) 14 units from part A1; and
(b) at least 4 units from part A2; and
(c) either—
(i) a major; or
(ii) an extended major; or
(iii) for a program undertaken with no major, both—
(A) 6 units from part B, including 2 units from part B1; and
(B) 8 units from part C; or
(iv) two majors; and
(d) the balance from electives.

(2) Of the 48 units required for the program as set out in subrule (1), a student must complete—
(a) no more than 20 units of level 1 courses; and
(b) at least 12 units of late year courses.

(3) For a program undertaken with two majors and where a course is compulsory in both majors, the balance of units required for the majors must be from courses in part B or part C or a combination of both.

4 Special rules
4.1 Supplementary assessment
The associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—
(a) gains that grade—
(i) on the first occasion in the first two semesters of study in a program following admission to undergraduate study at the university; or
(ii) in the penultimate semester of the program when—
(A) a failing grade would mean the student is unable to complete the program in the following semester; and
(B) a higher grade would allow completion of the program with enrolment in 8 units or fewer in the following semester; and
(C) the student has not previously been granted supplementary assessment under subrule 4.1(a)(ii); or

(iii) in the final semester of the program when a higher grade would complete the program requirements; and

(b) makes an application within 5 days of the release of results.
