Bachelor of Mathematics / Bachelor of Education (Secondary)

1   Definitions

BMath major means a major as defined in the BMath rules;

late year course means a course at level 3 or higher;

pre-2017 student means a student who first enrolled in the program before 1 January 2017.

pre-2018 student means a student who enrolled in the program before 1 January 2018.

2   Field of study

A student may undertake the BMath part of the dual program in an approved major.

3   Program requirements

(1)   To complete the program, a student must complete 64 units comprising—
    (a)   32 units from the BMath course list towards the BMath component comprising—
        (i)   14 units from part A; and
        (ii)   14 units from part B or part C or a combination of both; and
        (iii)   4 units from the BMath course list, or part A or part B of the BSc course list or courses approved by the associate dean (academic); and
    (b)   32 units from the BEd(Sec) course list towards the BEd(Sec) component comprising—
        (i)   16 units from part A; and
        (ii)   16 units from part B.

(2)   In meeting rule 3(1)(a), the student must gain 8 units for late year courses from part A or part B of the BMath course list or a combination of both.

4   Course pre-enrolment approval

Course pre-enrolment approval is required for BEd(Sec) courses.

5   Concurrent enrolment

A student must maintain concurrent enrolment in both constituent degree programs.

Note   A dual degree is a single program of study leading to the award of two degrees. A student is not permitted to graduate with one degree and continue enrolment in the program.

6   Special rules

6.1   Specialist requirements

In selecting courses from the BMath course list, a student must include courses that satisfy the prerequisites for two specialist teaching areas set out by the head of school of education.

6.2   Progression through program

A student must complete the requirements of the BMath before enrolling in courses from part B of the BEd(Sec) list.

6.3   Blue card

At the start of the program, a student must obtain a blue card and thereafter hold a current blue card for the duration of the program.

6.4   LANTITE test

Prior to graduation, a student must successfully complete the Literacy and Numeracy Test for Initial Teacher Education Students (LANTITE) as set by the Australian Institute for Teaching and School Leadership (AITSL).
