

Graduate Certificate in Engineering Science

1 Definitions

In these rules –

pre-2012 GCE student means a student who first enrolled in the GCE program before 1 January 2012.

2 Enrolment requirements

To enrol in the program, a person must —

- (a) either—
 - (i) hold an approved degree; or
 - (ii) have completed post-secondary study and 2 years relevant work experience approved by the executive dean; and
- (b) satisfy the executive dean that, based on the student's academic record, the student is suitably qualified for admission.

3 Program requirements

To complete the program, a student must complete 8 units from the MEngSc course list or other courses in an engineering field approved by the executive dean.

4 Maximum credit for other study

The maximum credit the associate dean (academic) may grant to a student for other study is 4 units.

Note See [PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning](#).

5 Special rules

5.1 Supplementary assessment

The associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

- (a) gains that grade—
 - (i) in the first semester of postgraduate study at the university; or
 - (ii) in the final semester of the program when a higher grade would complete the program requirements; and
- (b) makes an application within 5 days of the release of results.

6 Transitional

A pre-2012 GCE student who satisfies the program requirements may be conferred the award of GCE or GCEngSc.
