Graduate Certificate in Engineering Science

1 Definitions
In these rules –

*pre-2012 GCE student* means a student who first enrolled in the GCE program before 1 January 2012.

2 Enrolment requirements
To enrol in the program, a person must —
(a) either—
   (i) hold an approved degree; or
   (ii) have completed post-secondary study and 2 years relevant work experience approved by the executive dean; and
(b) satisfy the executive dean that, based on the student’s academic record, the student is suitably qualified for admission.

3 Program requirements
To complete the program, a student must complete 8 units from the MEngSc course list or other courses in an engineering field approved by the executive dean.

4 Maximum credit for other study
The maximum credit the associate dean (academic) may grant to a student for other study is 4 units.

*Note* See GAR 1.6 of the General Award Rules.

5 Special rules
5.1 Supplementary assessment
The associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—
(a) gains that grade—
   (i) in the first semester of postgraduate study at the university; or
   (ii) in the final semester of the program when a higher grade would complete the program requirements; and
(b) makes an application within 5 days of the release of results.

6 Transitional
A pre-2012 GCE student who satisfies the program requirements may be conferred the award of GCE or GCEngSc.
