

## Graduate Certificate in Pharmacy Practice

### 1 Definitions

In these rules—

*approved qualification* means the completion of an accredited program approved by the Pharmacy Board of Australia or equivalent qualification.

### 2 Enrolment requirements

To enrol in the program, a person must—

- (a) hold an approved qualification in pharmacy; and
- (b) hold provisional registration as an intern pharmacist with the Pharmacy Board of Australia.

### 3 Program requirements

To complete the program, a student must complete 8 units in accordance with the GCPharmPrac course list.

### 4 Special rules

#### 4.1 Mode of study

A student may undertake this program on a part time basis only, in accordance with the program course list.

#### 4.2 Continuous enrolment

Unless otherwise approved by the head of school, a student must complete the Internship Training component of the program without interruption.

#### 4.3 Cancellation of credit period

The credit cancellation period for the GCPharmPrac program is 5 years.

*Note* See PPL 3.50.03 *Credit for Previous Studies and Recognised Prior Learning*.

#### 4.4 Progression through program

Unless approved by the executive dean, a student must not enrol in subsequent semesters of the program, without completing all courses in the preceding semester.

#### 4.5 Supplementary examinations

- (a) On each occasion on which this rule applies, the associate dean (academic), after considering advice from the school board of examiners, may grant supplementary assessment in a single course to a student who gains a grade of 3 in that course.
- (b) Despite rule 4.5(a), the maximum number of units for which supplementary assessment may be awarded in the program is 4.

#### 4.6 Professional registration

- (a) A student must maintain provisional registration as an intern pharmacist with the Pharmacy Board of Australia throughout enrolment in the program.
- (b) A student who has their registration rescinded during the program must notify the school in writing.
- (c) Despite rules 4.6(a) and 4.6(b), a student who has completed their internship may instead hold general registration as a pharmacist with the Pharmacy Board of Australia.
