

Master of Midwifery

1 Enrolment requirements

To enroll, a person must—

- (a) hold—
 - (i) an approved degree in midwifery; or
 - (ii) a qualification equivalent to a degree in midwifery approved by the executive dean; and
- (b) be eligible for an unrestricted licence to practice as a registered midwife in Australia; and
- (c) satisfy the executive dean and head of school that the person has recent and relevant midwifery practice.

2 Field of study

A student must undertake the program in a field approved by the executive dean.

3 Program requirements

To complete the program, a student must complete 24 units from the MMid course list in the field chosen by the student, comprising —

- (a) 10 units from part A; and
- (b) 8 units from part B; and.
- (c) 6 units from part C.

4 Special rules

Continuous enrolment: Unless approved by the head of school, a student must undertake the program without interruption.
