Bachelor of Health Sciences

1 Definitions
In these rules—
  elective course means an elective course approved by the program director.
  major means an approved field of study of 12 units from part B of the BHIthSc course list.
  pre-2012 student means a student who first enrolled in the program before 1 January 2012.

2 Program requirements
(1) To complete the program, a student must complete 48 units from the BHIthSc course list comprising—
  (a) for students undertaking the nutrition major—
      (i)  28 units from part A in the nutrition major; and
      (ii) 12 units from part B in the nutrition major; and
      (iii) 8 units from part C; or
  (b) for students undertaking other majors—
      (i)  30 units from part A; and
      (ii) 10 units from part B in the relevant a major; and
      (iii) 8 units from part C.
(2) The first 16 units that the student attempts must be level 1 courses from part A of the Bachelor of Health Sciences course list (unless otherwise approved by the program director).

3 Special rules
3.1 Pre-requisites for HLTH3001 practicum
(1) Before enrolling in HLTH3001 practicum in health sciences, a student must—
  (a) complete a schedule of immunisations approved by the executive dean; and
  (b) hold a current blue card.
(2) The requirements under rule 3.1(1)(a) may be waived only if—
  (a) the student provides evidence of their status with respect to immunity against the blood-
      borne viruses or other diseases prescribed in the schedule; or
  (b) approved by the executive dean.

4 Transitional
A pre-2012 student may complete the program under the rules in force on 31 December 2011 or under the current rules.
