

Bachelor of Information Technology

1 Definitions

In these rules—

approved combination means a combination of courses approved by the executive dean;

electives means courses from parts B, C or D or other courses approved by the executive dean;

extended major means an approved combination of 24 units from part F of the BInfTech course list;

major means an approved combination of 14 units from part E of the BInfTech course list.

2 Field of study

A student may undertake the program in an approved field.

3 Program requirements

- (1) To complete the program, a student must complete 48 units from the BInfTech course list, comprising—
 - (a) 14 units from part A1; and
 - (b) at least 4 units from part A2; and
 - (c) either—
 - (i) a major; or
 - (ii) an extended major; or
 - (iii) for a program undertaken with no major, both—
 - (A) 6 units from part B, including 2 units from part B1; and
 - (B) 8 units from part C; or
 - (iv) two majors; and
 - (d) the balance from electives.
- (2) Of the 48 units required for the program as set out in subrule (1), a student must complete—
 - (a) no more than 20 units of level 1 courses; and
 - (b) at least 12 units of late year courses.
- (3) For a program undertaken with two majors and where a course is compulsory in both majors, the balance of units required for the majors must be from courses in part B or part C or a combination of both.

4 Special rules

4.1 Supplementary assessment

The associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

- (a) gains that grade—
 - (i) on the first occasion in the first two semesters of study in a program following admission to undergraduate study at the university; or
 - (ii) in the penultimate semester of the program when—
 - (A) a failing grade would mean the student is unable to complete the program in the following semester; and
 - (B) a higher grade would allow completion of the program with enrolment in 8 units or fewer in the following semester; and

- (C) the student has not previously been granted supplementary assessment under subrule 4.1(a)(ii); or
- (iii) in the final semester of the program when a higher grade would complete the program requirements; and
- (b) makes an application within 5 days of the release of results.
