

Bachelor of Information Technology (Honours)

1 Enrolment requirements

- (1) To be eligible for admission in the program, an applicant must hold—
 - (a) the BInfTech from this university, with a GPA of 5.0; or
 - (b) an approved degree, with a GPA of 5.0.
- (2) For the purpose of rule 1(1), an applicant whose degree was awarded more than 5 years prior to admission will not be considered.

2 Program requirements

To complete the program, a student must complete 16 unit in accordance with the BInfTech(Hons) course list.

3 Class of honours

The class of honours is calculated on the basis of the grade point average of the results obtained by a student in the first attempt at all courses in the program.

Note see PPL 3.50.12b of the Policy and Procedures Library.

4 Special rules

4.1 Mode of study

Unless approved by the executive dean, a student must enrol in the program full-time.

4.2 Supplementary assessment

The associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

- (a) gains that grade—
 - (i) in the first occasion in the first two semesters of study in a program following admission to undergraduate study at the university; or
 - (ii) in the penultimate semester of the program when—
 - (A) a failing grade would mean the student is unable to complete the program in the following semester; and
 - (B) a higher grade would allow completion of the program with enrolment in 8 units or fewer in the following semester; and
 - (C) the student has not previously been granted supplementary assessment under rule 4.2(a)(i); or
 - (iii) in the final semester of the program when a higher grade would complete the program requirements; and
- (b) makes an application within 5 days of release of results.
