Master of Financial Mathematics

1 Definitions
   In these rules—
   
   first year university-level mathematics means courses that cover single-variable and multi-variable calculus, ordinary differential equations, and linear algebra;
   
   pre-2015 student means a student who first enrolled in the program before 1 January 2015.

2 Enrolment requirements
   (1) To enrol in the 24-unit program, a person must hold an approved degree in the same discipline.
   
   (2) To enrol in the 32-unit program, a person must—
       (a) hold an approved degree in a different discipline; and
       (b) have covered first year university-level mathematics.

3 Program requirements
   (1) To complete the 24-unit program, a student must complete 24 units from the MFinMath course list, comprising—
       (a) 8 units from part B; and
       (b) 8 units from part C; and
       (c) 4 units from part D; and
       (d) 4 units from part C or part D or a combination of both.
   
   (2) To complete the 32-unit program, a student must complete 32 units from the MFinMath course list, comprising—
       (a) 8 units from part A; and
       (b) 8 units from part B; and
       (c) 8 units from part C; and
       (d) 4 units from part D.
       (e) 4 units from part C or part D or a combination of both.

4 Transitional
   A pre-2015 student may complete the program under the current rules or the rules in force on 31 December 2014.
