

## Master of Sports Medicine

### 1 Enrolment requirements

To enrol in the program, a person must —

- (a) hold an approved degree in medicine (or equivalent); and
- (b) be registered as a medical practitioner in the person's country of practice; and
- (c) have completed two years of a pre-vocational postgraduate medical training program (or equivalent).

### 2 Program requirements

To complete the program, a student must complete 16 units from the MSpMed course list.

### 3 Transitional

A student who first enrolled in the program before 1 January 2007 may complete the program under the rules in force on 1 January 2007.
