

Bachelor of Advanced Business (Honours)

1 Definitions

In these rules—

elective courses means courses approved by the executive dean;

major means an approved combination of 12 units from part B of the BAdvBus(Hons) course list, of which at least 6 units are for level 3 or 4 courses;

program means the Bachelor of Advanced Business (Honours).

2 Field of study

A student must undertake at least one major approved by the executive dean.

3 Program requirements

To complete the program, a student must complete 64 units from the BAdvBus(Hons) course list, comprising—

- (a) 28 units from part A; and
- (b) a major from part B; and
- (c) 24 units for—
 - (i) either—
 - (A) a second major from part B; and
 - (B) either—
 - (1) a third major from part B; or
 - (2) 4 units from Part B and 8 units for elective courses, of which at least 6 units must be at level 3;
 - (ii) or—
 - (A) 16 units from part C; and
 - (B) elective courses.

4 Maximum credit for other study

- (1) The maximum credit that the associate dean (academic) may grant to a student for other study is 16 units.
- (2) Credit will only be granted for courses at level 1 or 2.

5 Class of honours

- (1) The class of honours is calculated on the basis of the GPA over 20 units of the highest graded courses at level 3 or higher from the program completed by the student, with the 20 units identified as follows—
 - (a) if the student has completed more than 20 units of courses at level 6 or level 4, all level 6 courses will be counted first, along with the highest graded level 4 courses; or
 - (b) if the student has completed 20 units or fewer of courses at level 6 or level 4, all level 6 and level 4 courses will count along with the highest graded level 3 courses.
- (2) Where a student has completed an insufficient number of courses at level 3 or higher within the program to allow a class of honours to be calculated under rule 5(1), the highest graded courses at level 2 will be included in the calculation.

6 Special rules

6.1 Research Pathway

To be eligible for entry into the research pathway a student must have completed the first 40 units of the program with a cumulative GPA of at least 5.5
