

Bachelor of Health Sciences

1 Definitions

In these rules—

elective course means an elective course approved by the program director.

major means an approved field of study of 12 units from part B of the BHLthSc course list.

pre-2012 student means a student who first enrolled in the program before 1 January 2012.

2 Program requirements

- (1) To complete the program, a student must complete 48 units from the BHLthSc course list comprising—
 - (a) for students undertaking the nutrition major—
 - (i) 28 units from part A in the nutrition major; and
 - (ii) 12 units from part B in the nutrition major; and
 - (iii) 8 units from part C; or
 - (b) for students undertaking other majors—
 - (i) 30 units from part A; and
 - (ii) 10 units from part B in the relevant a major; and
 - (iii) 8 units from part C.
- (2) The first 16 units that the student attempts must be level 1 courses from part A of the Bachelor of Health Sciences course list (unless otherwise approved by the program director).

3 Special rules

3.1 Pre-requisites for HLTH3001 practicum

- (1) Before enrolling in HLTH3001 practicum in health sciences, a student must—
 - (a) complete a schedule of immunisations approved by the executive dean; and
 - (b) hold a current blue card.
- (2) The requirements under rule 3.1(1)(a) may be waived only if—
 - (a) the student provides evidence of their status with respect to immunity against the blood-borne viruses or other diseases prescribed in the schedule; or
 - (b) approved by the executive dean.

4 Transitional

A pre-2012 student may complete the program under the rules in force on 31 December 2011 or under the current rules.
