

## Bachelor of Physiotherapy (Honours)

### 1 Program requirements

To complete the program, a student must complete 64 units in accordance with the BPhy(Hons) course list.

### 2 Class of honours

The class of honours is calculated on the basis of the GPA of the results obtained by a student for all graded courses that contributed to years 2-4 of the program.

### 3 Special rules

#### 3.1 Continuous enrolment

Unless approved by the executive dean, a student must undertake the program without interruption.

#### 3.2 Progression through program

A student may enrol in a course in a second or later year of the program only if the student has gained credit for all relevant prerequisite courses for that course.

#### 3.3 Mode of study

A student must enrol in the program full-time, except where—

- (a) required to complete specific courses in accordance with rule 3.2; or
- (b) due to special circumstances approved by the executive dean.

#### 3.4 Award of the Bachelor of Rehabilitation Studies

A student who withdraws from the program after completing 48 units in years 1-3, may be awarded the Bachelor of Rehabilitation Studies.

#### 3.5 First aid and CPR certificate

From the start of the program, a student must hold and keep current a first aid and CPR certificate.

#### 3.6 Immunisation schedule

- (1) Before commencing a course in which, in the opinion of the executive dean, the student may be at risk of contracting or passing on a blood-borne transmissible virus or other disease, the student must complete a schedule of immunisations approved by the executive dean.
- (2) The requirement under subrule (1) may be waived only if—
  - (a) the student provides evidence of his or her status with respect to immunity against blood-borne transmissible viruses or other diseases prescribed in the schedule; or
  - (b) approved by the executive dean.

#### 3.7 Blue card

At the start of the program, a student must obtain a blue card and thereafter hold a current blue card for the duration of the program.

### 4 Transitional
