

## Doctor of Clinical Dentistry

### 1 Definitions

In these rules—

*clinical assessment program* means a one week program to assess clinical competence conducted by the university dental school;

*pre-2015 student* means a student who first enrolled in the program before 1 January 2015.

### 2 Enrolment requirements

- (1) To enrol in the program, a person must—
  - (a) hold an approved degree in dentistry from the university (or equivalent); and
  - (b) have completed two years' full-time (or equivalent) graduate clinical experience; and
  - (c) be registered as a dentist with the Dental Board of Australia; and
  - (d) satisfy the executive dean that the student is qualified for admission.
- (2) Applicants may be required to complete a clinical assessment program as part of their application for enrolment.

### 3 Program requirements

To complete the program, a student must complete 48 units from the DClinDent course list.

### 4 Special rules

#### 4.1 Progression through program

A student must not enrol for a subsequent year of the program until gaining credit for all courses in the preceding year.

#### 4.2 First aid and CPR certificates

A student must hold—

- (a) a first aid certificate while enrolled in the program; and
- (b) a CPR certificate while enrolled in the program.

#### 4.3 Professional registration

A student must maintain registration as a dentist with the Dental Board of Australia for the duration of the program.

#### 4.4 Immunisation schedule

- (1) Before commencing, a student must complete a schedule of immunisations approved by the executive dean.
- (2) The requirement under rule 4.5(1) may be waived only if—
  - (a) the student provides evidence of their status with respect to immunity against blood-borne transmissible viruses or other diseases prescribed in the schedule; or
  - (b) approved by the executive dean.

#### 4.5 Blood-borne viruses

- (1) Before commencing the program, a student must provide evidence of their status with respect to blood-borne transmissible viruses.
- (2) A student who has a blood-borne transmissible virus must not undertake invasive procedures.

### 5 Transitional

A pre-2015 student must complete the program under the rules in force on 31 December 2014.
