

Bridging Programs

Information Sheet

ENTRY REQUIREMENTS

For entry to all undergraduate programs at The University of Queensland (UQ) applicants must meet two basic entry requirements:

1. satisfy the prerequisite requirements (including subject prerequisites and other requirements)
2. possess an entry rank high enough for a place in the program[†]
† Entry ranks range from 1 to 99 (maximum). As admission is competitive the entry rank cut-offs for programs can fluctuate from year to year.

For detailed program information, including prerequisite requirements and entry rank cut-offs from previous admission periods, please refer to the University's *Undergraduate Prospectus for Australian Students* or website: www.uq.edu.au/study.
