Bachelor of Information Technology/Bachelor of Science
2015 Dual Degree Program Structure

It is important that you read and understand the following information.

It is your responsibility to ensure that you complete all the requirements for each section of this dual program in order to graduate with both degrees.

You are **not** required to submit this program plan for approval. However, if you have any questions or concerns about meeting degree requirements, especially when you are nearing the end of your program, please contact the relevant Faculty for advice. It is also strongly recommended that you discuss your proposed enrolment with advisors from both faculties.

- ❖ EAIT: A list of academic advisers is available at http://www.itee.uq.edu.au/academic-advice
- ❖ Science: Please call (07) 3365 1888 to make an appointment.

The following information is designed to help you plan your enrolment. Further information can be found in the Official Rules and Course lists under the **Program Rules and Requirements** link for each program in the Programs and Courses website: http://www.uq.edu.au/study/
