

Bachelor of Agribusiness / Bachelor of Equine Science

2016 Dual Degree Program Structure

It is important that you read and understand the following information.

It is your responsibility to ensure that you complete all the requirements for each section of this dual program to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal. Further information can be found in the Official Rules and Course lists under the **Program Rules and Requirements** link for each program in the Programs and Courses website: <http://www.uq.edu.au/study/>.

You are not required to submit this program plan for approval. However, if you have any questions or concerns about meeting program requirements, especially when you are nearing the end of your program, please contact the relevant Faculty for advice.

PROGRAM GUIDELINES

You must complete a total of #64 for both degrees.

Bachelor of Agribusiness Section Requirements:

- ❖ 32 units from part A of the BAgribus course list

Bachelor of Equine Science Section Requirements:

- ❖ #32 units from part A of the BEquineSc course list

Please contact the Faculty of Science on (07) 3365 1888 for more information

Please Note:

This planner is intended as a guide only and is based on current scheduling of courses. Students should note that scheduling can change from year to year. You are advised to check the scheduling for the current year and contact the relevant Faculty for advice if course scheduling has changed.

BACHELOR OF AGRIBUSINESS / BACHELOR OF EQUINE SCIENCE
