# Bachelor of Information Technology/ Bachelor of Science 2016 Dual Degree Program Structure

It is important that you read and understand the following information.

To be eligible to enrol in a dual degree program you must ensure that you satisfy the entry requirements for both programs.

Once enrolled it is your responsibility to ensure that you complete all the requirements for each section of this dual program in order to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal. Further information can be found in the Official Rules and Course lists under the **Program Rules and Requirements** link for each program in the Programs and Courses website:

#### http://www.uq.edu.au/study/

You are not required to submit this program plan for approval. However, if you have any questions or concerns about meeting degree requirements, especially when you are nearing the end of your program, please contact the relevant Faculty for advice.

## **PROGRAM GUIDELINES**

• You must complete a total of #64 to satisfy requirements for dual degree.

### **Bachelor of Information Technology Component Requirements:**

- #32 in accordance with the BInfTech List comprising -
  - 14 units from part A1 and 4 units from part A2; and
  - Either:
    - o #14 units for a BInfTech major; or
    - #14 units comprising #6 from part B (including at least #2 from part B1) and #8 from part C.
- Of the #32 units required for the BInfTech, #12 units must be late year courses.
- BInfTech/BSc students should discuss their enrolment plan with an academic adviser.
- The list of academic advisers is available at <u>http://www.itee.uq.edu.au/academic-advice</u>

### **Bachelor of Science Component Requirements:**

- ✤ #32 from the BSc course list, comprising
  - ✤ #6 from Part A; and
  - ✤ #14 from Part B; and
  - ✤ #12 from Part A or Part B or a combination of both.
- Students must complete #12 of Late Year courses.
- 'Late Year' course means a course at level 3 or higher.
- Students may choose to have up to two Majors listed on their degree certificate (see Part B BSc List).
- Students may not undertake a Major in Computer Science in the BSc component of this dual program.

## BACHELOR OF INFORMATION TECHNOLOGY/BACHELOR OF SCIENCE DUAL DEGREE PROGRAM STRUCTURE

You can use this outline to plan your program structure.

| <b>BACHELOR OF INFORMATION TECHNOLOGY</b>                 |                  | BACHELOR OF SCIENCE |         |                     |
|---|------------------|---------------------|---------|---------------------|
| Please consult your academic adviser for course selection | Total Units<br># | Major 1             | Major 2 | Total<br>Units<br># |
| YEAR ONE  |                  | YEAR ONE            |         |                     |
| Semester 1  |                  | Semester 1          |         |                     |
|   | 2                |                     |         | 2                   |
|   | 2                |                     |         | 2                   |
| Semester 2  |                  | Semester 2          |         |                     |
|   | 2                |                     |         | 2                   |
|   | 2                |                     |         | 2                   |
| Summer Semester   |                  |                     |         |                     |
| YEAR TWO  |                  | YEAR TWO            |         |                     |
| Semester 1  |                  | Semester 1          |         |                     |
|   | 2                |                     |         | 2                   |
|   | 2                |                     |         | 2                   |
| Semester 2  |                  | Semester 2          |         |                     |
|   | 2                |                     |         | 2                   |
|   | 2                |                     |         | 2                   |
| Summer Semester   |                  | Summer Semester     |         |                     |
| YEAR THREE  |                  | YEAR THREE          |         |                     |
| Semester 1  |                  | Semester 1          |         |                     |
|   | 2                |                     |         | 2                   |
|   | 2                |                     |         | 2                   |
| Semester 2  |                  | Semester 2          |         |                     |
|   | 2                |                     |         | 2                   |
|   | 2                |                     |         | 2                   |
| Summer Semester   |                  | Summer Semester     |         |                     |
| YEAR FOUR   |                  | YEAR FOUR           |         |                     |
| Semester 1  |                  | Semester 1          |         |                     |
|   | 2                |                     |         | 2                   |
|   | 2                |                     |         | 2                   |
| Semester 2  |                  | Semester 2          |         |                     |
|   | 2                |                     |         | 2                   |
|   | 2                |                     |         | 2                   |
| Summer Semester   |                  | Summer Semester     |         |                     |
| Total   | #32              |                     |         | #32                 |

Please Note: Summer Semester is optional.

BInfTech students should refer to <u>http://study.itee.uq.edu.au/degree\_programs/BInfTech/</u> for BInfTech requirements.

Please ensure that you have entered your BInfTech and BSc majors correctly on mySI-net
