

Bachelor of Engineering (Honours)/ Bachelor of Information Technology 2018 Dual Degree Program Structure

It is important that you read and understand the following information.

To be eligible to enrol in a dual degree program you must ensure that you satisfy the entry requirements for both programs.

Once enrolled it is your responsibility to ensure that you complete all the requirements for each section of this dual program in order to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal. Further information can be found in the Official rules and Course lists under the **Program Rules and Requirements** link for each program in the Programs and courses website: <https://my.uq.edu.au/programs-courses/>

You are not required to submit this program plan for approval. However, if you have any questions or concerns about meeting degree requirements, especially when you are nearing the end of your program, please contact the relevant Faculty for advice.

PROGRAM GUIDELINES

- ❖ You must complete a total of 88 units for the program.

Bachelor of Engineering (Hons) Component Requirements:

- ❖ BE(Hons) Dual Degree students are not permitted to enrol in courses offered by other Faculties where there is an equivalent BE course. Restrictions apply to enrolment in ECON1050, ECON1310, BISM1201, STAT1201. Details of specific course restrictions are available at: <http://www.eait.uq.edu.au/be-dual-programs> and <https://www.eait.uq.edu.au/bachelor-engineering-electives>
- ❖ 56 units to 62 units from the BE(Hons) course list, comprising courses defined for the chosen single, dual or extended major, and the balance from electives or other courses approved by the executive dean. Refer to program rules for specific variations.
- ❖ Availability of fields of study in the BE(Hons)/BInfTech program is delineated further in the program rules.
- ❖ BE(Hons)/BInfTech students should discuss their enrolment plan with an academic adviser.
- ❖ The list of academic advisers is available at - <http://www.eait.uq.edu.au/eng-academic-advice>

Bachelor of Information Technology Component Requirements:
