

# Bachelor of Business Management/Bachelor of Information Technology

## 2020 Dual Degree Program Structure

It is important that you read and understand the following information.

To be eligible to enrol in a dual degree program you must ensure that you satisfy the entry requirements for both programs.

Once enrolled it is your responsibility to ensure that you complete all the requirements for each section of this dual program in order to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal. Further information can be found in the Official rules and Course lists under the **Program Rules and Requirements** link for each program in the Programs and Courses website: <https://my.uq.edu.au/programs-courses/>

You may need to amend this plan depending on your choice of major. You are not required to submit this program plan for approval. However, if you have any questions or concerns about meeting degree requirements, especially when you are nearing the end of your program, please contact the relevant Faculty for advice.

**Please note:** Students exiting early with one component of a dual degree must complete the single degree requirements of that component. Students will then be required to follow the single degree rules to complete the remaining component from that dual degree.

### PROGRAM GUIDELINES

You must complete a total of 64 units for the program.

#### ***Bachelor of Business Management Requirements:***

- ❖ 32 from the BBusMan List including -
  - 18 units of compulsory courses from Part A; and
  - 12 units from one major in Part B (at least 6 units must be from level 3 courses); and
  - 2 units from Part B or C.

#### ***Bachelor of Information Technology Requirements:***

- ❖ 32 units from the BInfTech List including -
  - 14 units from part A1; and
  - 4 units from part A2; and
  - either:
    - (1) 14 units for a permitted BInfTech major; or
    - (2) 14 units comprising:
      - (a) 6 units from part B, including at least 2 units from part B1; and
      - (b) 8 units from part C.
- ❖ Of the 32 units required for the BInfTech, 12 units must be late year (level 3 or higher) courses.
- ❖ BInfTech students should discuss their enrolment plan with an academic adviser. The list of academic advisers is available at - <http://www.itee.uq.edu.au/academic-advice>

### Special Rules

Courses in both course lists

1. Where a course is compulsory in one component of the dual program but not the other, then it must be counted towards the component in which the course is compulsory.
